

# LEARNING JOURNEY FOR YEAR 4

**AUTUMN FIRST HALF TERM...**

**Year 4's topic for this half term is...**

# Chocolate

**Your child will be learning about...**

- How products are packaged and advertised so that they are functional and appealing.
- How to gather data and use it to design and create an appealing product.
- How chocolate is made and the process of bean to bar.

**In English this half term, your child will be learning...**

- To write an exciting adventure story using 'The Wild Girl' by Chris Wormell as their inspiration.
- Changing the characters, setting and plot to form a new story.
- Use of expanded noun phrases, fronted adverbials and subordinate clauses.

**In Maths this half term, your child will be learning...**

- To round numbers to the nearest 10, 100 and 1000.
- To develop fluency with mental adding and subtracting strategies.
- To develop fluency with multiplying and dividing facts to  $12 \times 12$ .
- To count backwards through zero including negative numbers.

**Our Core Learning Skills theme for this half-term is developing independence and responsibility.**

As part of this, we will be considering taking turns, how to acknowledge and respond to what others say, how to offer simple opinions and take responsibility for keeping to the school code.
