

LEARNING JOURNEY FOR YEAR 6

Autumn first HALF TERM...

Year Six's topic for this half term is...

DRAGON'S DEN

Your child will be learning about...

- How to design a product (felt mobile phone cases)
- Adapting and modifying product designs
- Creating advertisements
- Using tools and materials to design and build products

In Literacy this half term, your child will be learning...

- To use powerful descriptive language to describe characters and settings within an adventure story based on *The Spiderwick Chronicles* by Holly Black.
- To use accurate speech punctuation within their writing
- To be able to build up suspense in a story
- To write an explanation text

- In Maths this half term, the majority of your child's class will be learning...
- How to read, write, compare and order large whole numbers up to ten millions.
- How to read, write, compare and order decimal numbers
- How to use effective written methods for addition, subtraction, multiplication and division
- How to solve 'real-life' maths problems using their knowledge of the four operations.

In PE this half term, your child will be learning...

- To pass and receive a football accurately
- The rules of football
- Attacking and defending skills in football
- How to apply tactics and rules in small sided football matches
- To combine different types of rolling and movements to make a gymnastics sequence (6M)
- To combine different types of 'body popping' movements to create an exciting 'hip hop' style dance.

Mr. McMillan and Miss Haines.
